

### **Amendments to the Drawings**

Please replace the drawing sheets corresponding to Figs. 3, 4, 11 and 12 with the set of replacement drawing sheets appended hereto.

**Remarks**

Claims 1-57 remain pending in the application. No claims are amended in this response. All claims stand allowed as a result of a Notice of Allowance and Fee(s) Due issued March 31, 2006.

Subsequent to the Notice of Allowance, a Notice Regarding Drawings, including a requirement to correct the drawings of the present application, was mailed by the Office of Patent Publication on June 2, 2006. More specifically, the accompanying Notice of Draftsperson's Patent Drawing Review indicated that the margins for Figs. 3, 4, 11 and 12 of the present application were not acceptable.

In response, the Assignee respectfully submits replacement drawings for Figs. 3, 4, 11 and 12, attached hereto. Figs. 3, 4, 11 and 12 are amended to provide margins as required under 37 C.F.R. § 1.84(g). Assignee believes the replacement drawings exhibit the proper margins for the figures in question, and respectfully requests their acceptance by the Office of Patent Publication so that the application may pass to issue.

The Assignee believes no additional fees are due with respect to this filing. However, should the Office determine additional fees are necessary, the Office is hereby authorized to charge Deposit Account No. 21-0765.

Respectfully submitted,

Date: 6/19/06
